ABOUT

I can do it. I can manage the technical as much as the performance side of the theatrical coin. Assistant directing, sound design, light design, graphic design, set design and construction, music composition, and marketing call to me as much as the spotlight, and I have experience in utilizing all of it for the betterment of a production. Adaptable. Dependable. Dedicated. Quick study. Listener. Calm demeanor. Consistent performer. Wide vocal range. Deep character insight. Vast technical skill. Ever-persevering. Ever-evolving. Ever-perfecting. Ever-ready.
